

April 2020

Dear Customer:

The State of Connecticut has revised the Official Connecticut Practitioner Fee Schedule effective March 1, 2020.

The update to the July 15, 2019 edition was effective as of March 1, 2020 and is printed below. You may print the update and affix it to your current edition. This notice can also be accessed from the optum360coding.com website: optum360coding.com/support/product-updates

Telemedicine: In-person, face-to-face services are preferred; however, certain circumstances are appropriate for the limited use of telemedicine services to maintain appropriate continuity of care. The CPT and Medicare-identified telemedicine services will be covered when appropriately performed, documented, and reported with modifier 95.

HCPCS codes G2061, G2062, and G2063 will be valid for reporting the telemedicine services by physical therapists, occupational therapists, and clinical psychologists.

Code	Non-Facility	Facility
G2061	\$24.55	\$24.55
G2062	\$43.32	\$43.32
G2063	\$67.93	\$67.18
