

March 2020

Dear Optum360 2020 ICD-10-CM Customer:

The Centers for Disease Control and Prevention's (CDC) National Center for Health Statistics (NCHS), the federal agency responsible for use of the International Statistical Classification of Diseases and Related Health Problems, 10th revision, Clinical Modification (ICD-10-CM) in the United States, will be implementing new ICD-10-CM codes (U07.0 for COVID-19 and U07.1 for vaping-related disorders).

Included below are the new codes that can be marked in your book.

Official addenda and/or guideline information is expected to be updated and posted later this month. We will continue to provide updates as new information becomes available.

Until April 1, 2020, when new code U07.1 becomes effective, the interim coding advice for COVID-19 reporting, provided by the CDC, should be followed.

Our customer service team is available should there be any questions, by calling 1.800.464.3649, option 1. Thank you for your patience and support of our ongoing efforts to deliver quality products. We value you as an Optum360 customer.

Sincerely,

Optum360
